LETTER FROM THE DIRECTOR

**LIZZY
BOZARTH**

MPSF EXECUTIVE DIRECTOR

Beyond these foundational milestones, our impact continues through the daily support provided to our educators and students. We are incredibly grateful to our donors and sponsors for fueling the success of our thriving Enrichment grant programs for teachers and administrators. This growing support provides critical resources for innovative classroom projects. Our 30th Anniversary gave us time to reflect on our core mission and renew our commitment to generating even greater impact over the next several decades. Every new resource and inspired student traces back to your generous investment, ensuring we deliver on our promise to the Moore community.

This past calendar year has marked a truly pivotal moment for the Foundation as we celebrated our 30th Anniversary serving the Moore Public School District. Our enduring mission to Enhance, Enrich, and Expand students' educational experiences has never been more visible, blending celebratory milestones with structural growth. A major highlight was breaking ground on the visionary Bridges of Moore Village, symbolizing a new kind of hope for this and future generations of MPS students. Additionally, thanks to the commitment of our supporters, significant construction progress was made on the site, with the first students making Bridges of Moore their home in mid-2026.

FOUNDATION OVERVIEW

MISSION

The **Moore Public Schools Foundation** exists to enhance, enrich, and expand students' educational experiences throughout the Moore Public School district.

Building Bridges is a capital campaign to build housing and expand support services for Moore Public Schools high school students living alone.

JOIN US: CONTINUING A LEGACY OF IMPACT

For over 30 years, the Moore Public Schools Foundation has been a bridge connecting community resources with the innovative needs of our public school district, focused on our mission to Enhance, Enrich, and Expand student educational experiences. We invite you to join us in continuing this powerful legacy.

Your partnership in 2026 drives our impact through two distinct pathways: a major capital campaign and a suite of signature fundraising initiatives.

Overview of 2026 Initiatives:

- Legacy Luncheon (January 2026): An annual celebration honoring outstanding educators, alumni, and community supporters, committing resources to future educational programming.
- The Soirée: Wager on the Wild Side (May 2026): Our elegant casino night, raising significant funds to support our Enrichment Grant programs for teachers.
- Classroom Classic Golf Tournament (October 2026): A popular community event bringing together partners and alumni to bolster our student support efforts.
- More for Moore (Year-Round): This year-long campaign provides essential visibility for our partners while ensuring stable, consistent funding to manage and grow our services.
- Building Bridges Capital Campaign: A critical, final fundraising push to establish essential housing and expanded support services for our homeless high school students. This is a lasting, infrastructural investment that provides stability and connection. Construction on the student center and funded student duplexes began in October of 2025 and we anticipate the first students being housed on that campus in mid-2026.

By investing in the Foundation through a sponsorship of any kind, you become a champion of our mission. Whether through a season sponsorship or a one-time gift, we look forward to partnering with you to create possibility for our students. Review the following pages for detailed opportunities to align your organization with the Foundation's enduring impact.

SEASON SPONSORSHIPS

The Single Decision for
Year-Long Impact

New for 2026, Season Sponsorship Bundles offer the most effective and efficient way to align your organization with the Foundation's mission for an entire year. These limited-time packages move beyond single-event recognition by combining sponsorships across all three signature events: the Legacy Luncheon, The Soirée, and the Classroom Classic Golf Tournament with year-long engagement through the More for Moore (formerly known as Thursday Folder) program. By committing to a single Season Sponsorship, you simplify your giving process and guarantee visibility, all while providing the stable funding necessary to sustain and grow our core programs that support Moore Public Schools students and teachers.

SEASON SPONSORSHIPS

Sponsorship Opportunities

The Moore Public Schools Foundation is partnering with our business community to do More for Moore Public Schools students. Join us to support their success and reach over 15,000 families weekly.

The Thursday Folder: Weekly Direct-to-Home Access

Your ad gains guaranteed weekly placement on an essential item that families must open and review. Over 15,000 folders are sent home every week to all elementary students August - May of each school year.

MPSF Spirit Shirts: Community-Wide Endorsement

Sponsors' logos are featured on Spirit Shirts sold by the Foundation. Your brand becomes a mobile, year-long endorsement of school spirit across the community.

Yard Signs: High-Visibility

MPS Pride Signs displaying school pride and your logo are placed in neighborhoods throughout the Moore Public School district. This provides your brand with static, high-visibility advertising in residential areas.

Digital Newsletters: Targeted Outreach

Sent monthly to the Foundation's engaged support base and all MPS staff. Your logo reaches a focused audience of committed stakeholders.
